

COLLAGEN LIFT™ PROFESSIONAL

COLLAGEN LIFT™

www.skinbase.co.uk/collagenlift

A facelift without surgery, this treatment utilises radio frequency technology to offer immediate and long lasting results

Collagen lift is a relaxing, painless treatment that stimulates fat cell reduction and re-models collagen and elastin fibres resulting in a smoother, tighter appearance to the skin

Benefits of Collagen Lift are:

- Tones, lifts and tightens skin
- Rejuvenates skin
- Treats Cellulite
- Softens lines & wrinkles
- Stimulates collagen, elastin and hyaluronic acid
- Improvements seen for up to 3 months
- Results last for up to 2 years
- Non-Invasive with no needles or surgery
- Uses the body's own natural healing process

Improves muscle tone rather than freezing it to give more natural effects than Botox or fillers
Effective on the face, neck and body areas

A course of 6 treatments, once or twice a week is recommended for maximum results and a maintenance treatment every 4 - 6 weeks to maintain results

Prices for individual treatments

SkinBase™ THE FACIAL

SKINBASE MICRODERMABRASION

www.skinbase.co.uk

This facial treatment intensively exfoliates and resurfaces the upper layers of the skin using sterile crystals to remove dead skin cells, oil and debris whilst the vacuum action stimulates the production of collagen and elastin

This results in a clearer, firmer and brighter complexion and is suitable for all skin types

For maximum benefit a course of 8 weekly is recommended, but is also effective as a one off or monthly treatment

Single Treatment	£40.00
(Includes replenishing mask, shoulder and scalp massage)	
Course of 8 (Buy 7 get the 8th free)	£280.00

Express Treatment	£30.00
